

BT7512

SINGLE ARM FLAT SCREEN

Designed to mount small flat screens, the BT7512 features a single swivel arm with easy tilt adjustment and a full 360° screen rotation for easy portrait or landscape mounting. The wall plate features 'OWLS' on wall levelling system to ensure a straight and smart installation. The BT7512 is also compatible with B-Tech's range of poles and collars, increasing the number of different ways it can be mounted, ideal for commercial applications as well as home installations. Security screws are are provided to help prevent unauthorized removal of the screen.
