

B-TECH AV MOUNTS™

ENDLESS MOUNTING CAPABILITY

BT8340

UNIVERSAL VIDEO WALL MOUNTING SYSTEM

INAVATION AWARDS
TECHNOLOGY FINALIST 2016

The BT8340 is a modular wall mounting system for video wall installations of any size. The BT8340 can mount screens in landscape or portrait orientations - perfect for digital signage that needs to stand out. As part of the System X range, the BT8340 can be used in thousands of different configurations and is ordered according to your requirements using B-Tech's online configuration tool (see below, right).

SPECIFICATION

Recommended screen size	32" - 65"
Max load	50kg (per screen)
VESA® & non-VESA fixings	(max vertical dimension) 400mm*
Colour (VESA arms)	Black
Colour (Horizontal Rail)	Silver

*The VESA specification of the BT8340 refers to the vertical dimension only. All System X interface arms can be positioned as far along the rail as necessary. It is also possible to increase the maximum vertical fixing to 600mm by using BT7564 interface adaptor arms (available separately). Please note that using these adaptors will increase the total depth on the install by 20mm.

FEATURES

- Universal design suitable for all sized screens up to 50kg (per screen)
- Can be used in an endless variety of configurations
- High-end aesthetic quality
- Tool-less micro-adjustments at 8 points for seamless display alignment
- Suitable for landscape or portrait mounting
- Can be used to create eye-catching, mosaic style installs (please contact your sales representative for more details)
- Multiple rail lengths available (rails can also be joined to create larger installs)
- Safety screws help prevent unauthorised removal of screens

* VESA 400 50KG PER SCREEN RAILS OTHER COMPONENTS
