

SINGLE ARM FOR EXTENDED REACH

BTV113

FLAT SCREEN WALL MOUNT WITH SINGLE ARM

Designed to wall mount small sized screens, this single arm wall mount features a rotating interface with tilt and swivel, allowing quick and easy repositioning of screens as required - the mount can display the screen folded flat against the wall or up to its maximum extension of 240mm. Cable management is included to help make a neat and tidy mounting solution which is ideal for home installations as well as commercial applications.
