

SV402 COMBO

SV-402 Combo – Receives HD Satellite & HD Terrestrial Channels

4ife Combo HD Set Top Box

The 4ife SV-402 is a Combo receiver. It can receive both Terrestrial (Saorview) channels and Satellite (Free to Air) channels including BBC, ITV and Channel 4.

Mixed EPG

The SV-402 mixes the Saorview and Free to Air channels in the one electronic program guide, so there is no need for switching between the two different signals.

Multimedia Player

The SV-402 has a built Multimedia Player capable of playing movies, music and photos directly from a USB stick or drive.
