5m USB 2 Active Extension Cable A Male to A Female - High Speed

Brand: **connektgear**

Code: 26-2906

Box Qty: 40

Why do you need it?

You need to extend the distance from your PC source to your USB device, whilst retaining a speedy and secure connection.

What does it do?

Extends the distance between your PC and USB device. This cable features an active booster within the electronics that ensures

optimum signal quality and error-free transmission over the standard USB 5M limit. With this cable you have the freedom to place your devices wherever you require.
